COUNTY AND CITY ADMINISTRATIVE UNITS

County units are listed alphabetically and are printed in bold face capital letters. City units are listed alphabetically under the counties in which they are located and are printed in bold face capitals and lower case.

A dagger (†) after the unit name indicates that the unit is participating in the Southern Association's program for elementary schools.

Under "Year Accredited," the year given is the initial year of continuous State accreditation through 1964.

An asterisk (*) preceding the year of accreditation indicates membership in the Southern Association of Colleges and Schools.

For junior high schools and six-year secondary schools only one accreditation date is shown (secondary).

Schools are listed according to code numbers rather than alphabetically. See Page 100 for further explanation of code numbering system. An alphabetical index of all public schools with code numbers follows the list of administrative units.

CODE NUMBERS FOR NORTH CAROLINA SCHOOL ADMINISTRATIVE UNITS

North Carolina has 48 partial county units, 52 total county units, and 70 city units. Code numbers listed below are arranged so that city units follow the county unit in which the city unit is located. All statistical data are compiled independently for the 170 units, and it is necessary to add city unit(s) data to the containing county when it is desired to obtain county totals rather than administrative unit totals.
